UCAMA WELCOMES HONORARY PATRONS

UCAMA is pleased to announce the appointment of its first four Honorary Patrons for its capital project.

We are particularly flattered that the Lieutenant Governor the Honourable Norman L. Kwong CMAOE has consented to support our project for a new museum on Jasper Avenue. In addition to his current duties as Lieutenant Governor, Mr. Kwong is a Member of the Order of Canada (1998) and is Chancellor of the Order of Excellence (2005). He is a former National Chairman of the Consultative Council on Multiculturalism (1979-1980) and also served as Honorary Chairman of the Easter Seal Campaign in Calgary.

His Worship Stephen Mandel, Mayor of Edmonton, has been a staunch supporter of the UCAMA capital project since its inception. Mr. Mandel views it as an integral part of the revitalization of Downtown East. The Mayor has served as a community volunteer for organizations including the Alberta Heart Institute, Heart and Stroke Foundation, Jewish Community Centre and Allen Gray Continuing Care Centre.

His Worship Dave Bronconnier, Mayor of Calgary, has maintained his strong personal approval rating based in part on an aggressive program of infrastructure construction and the development of a long range strategic plan for the growth of the city. Mayor Bronconnier initiatives have lead to the development of the Community Investment Fund to match funding for city amenities such as the zoo, science centre, Heritage Park and libraries.

Marie Stelmach, wife of the Honourable Ed Stelmach, Premier of Alberta, has also consented to join the UCAMA team. Mrs. Stelmach has expressed great enthusiasm for joining the project. Mrs. Stelmach serves on the parish council of the Kracow Ukrainian Church and is a member of the St. Michael's/Kracow Church Choir where she sings soprano. Her executive experience on numerous voluntary organizations in Andrew, Mundare and Lamont will bring welcome expertise to the team
